As part of FIRE INDIA 2025, the Institution of Fire Engineers (India) will publish an official Souvenir Book to commemorate the event. This special edition will serve as a meaningful platform to share your message with delegates and visitors attending the Conference and Exhibition. The Souvenir Book will include messages from VVIP's, an overview of the Institution, abstracts of conference speakers, list of Sponsors, Supporters, and Advertisers. We encourage you to make the most of this opportunity to connect with a highly focused and professional audience from the fire safety and disaster management community. Advertisement tariffs and technical specifications are provided below.
